

Current Outcomes and Indicators as of October 30, 2018

(1) Vermont has a prosperous economy.

Indicators (A)–(D) of this Outcome shall be reported in three sets: 1) State of Vermont; 2) Chittenden County; and 3) Non-Chittenden County

- (A)(i) percent or rate per 1,000 jobs of nonpublic sector employment;
- (ii) net change in nonpublic sector employment; and
- (iii) rate of resident unemployment per 1,000 residents;
- (B) median household income;
- (C) net new jobs;
- (D) net new business establishments;
- (E) percent of population living at or below 185% of the federal poverty level;
- (F) gross State product (GSP) per capita; and
- (G) genuine progress indicator (GPI) on a three-year basis.

(2) Vermonters are healthy.

- (A) percent of adults 20 years of age and older who are obese;
- (B) percent of adults who smoke cigarettes;
- (C) percent of Vermonters age 18 and older who binge drank in last month;
- (D) number of persons who are homeless (adults and children);
- (E) rate of suicide per 100,000 Vermonters;
- (F) fall-related deaths per 100,000 adults age 65 and older;
- (G) percent of adults with any mental health condition receiving treatment;
- (H) number of accidental (non-suicide) drug deaths involving opioids; and
- (I) number of opioid analgesic morphine milligram equivalents (MMEs) dispensed per 100 residents.

(3) Vermont's environment is clean and sustainable.

- (A) percent of public drinking water supplies in compliance with health-based standards;
- (B) total greenhouse gas emissions per capita, in units of annual metric tons of equivalent carbon dioxide per capita;
- (C) percent of Vermont's rivers and lakes (excluding Lake Champlain) that meet State water quality standards for fishing and for swimming;
- (D) changes in total phosphorus loading to Lake Champlain from Vermont sources in metric tons per year;
- (E) number of days air quality in Vermont posed a moderate or greater risk to sensitive populations; and
- (F) disposal rate of municipal solid waste in pounds per person per day.

(4) Vermont is a safe place to live.

- (A) rate of petitions granted for relief from domestic abuse per 1,000 residents;
- (B) rate of violent crime per 1,000 crimes;
- (C) rate of sexual assault committed against residents per 1,000 residents;
- (D) recidivism rate;
- (E) incarceration rate per 100,000 residents;
- (F) number of first-time entrants coming into the corrections system; and
- (G) number of highway fatalities involving no or the improper use of seatbelts.

(5) Vermont's families are safe, nurturing, stable, and supported.

- (A) rate of substantiated reports of child abuse and neglect per 1,000 children;
- (B) rate of children and youth in out-of-home care per 1,000 children and youth;
- (C) rate of reports of abuse, neglect, and/or exploitation of vulnerable adults recommended for substantiation per 1,000 vulnerable adults;
- (D) percent of residents spending less than 30% of income on housing; and
- (E) percent of Vermont households with food insecurity [*placeholder*].

(6) Vermont's children and young people achieve their potential.

- (A) percent of women who receive first trimester prenatal care;
- (B) percent of children ready for school in all four domains of healthy development;
- (C) percent of children below the basic level of fourth grade reading achievement under State standards;
- (D) percent of high school seniors with plans for education, vocational training, or employment;
- (E) percent of adolescents in grades 9–12 using marijuana within the last 30 days; and
- (F) percent of adolescents in grades 9–12 who had a suicide plan.

(7) Vermont's elders live with dignity and in settings they prefer.

- (A) AARP State ranking on long-term services and supports for older adults, people with physical disabilities, and family caregivers; and
- (B) hospice enrollment: percent of chronically ill Medicare decedents age 65 and older who were enrolled in hospice during the last six months of life.

(8) Vermonters with disabilities live with dignity and in settings they prefer.

- (A) estimated employment rate of Vermonters age 21-64 with all disabilities.

(9) Vermont has open, effective, and inclusive government.

- (A)(i) percent of people who are eligible to register to vote and who have registered; and
- (ii) percent of registered voters voting in the general election;
- (B) percent of State contracts and grants awarded that include performance measures;
- (C) number or percent of departments that are able to accept online payments; and
- (D) number or percent of agencies or departments using an up-to-date website template.

(10) Vermont's State infrastructure meets the needs of Vermonters, the economy, and the environment.

(A) percent of Vermont covered by state-of-the-art telecommunications infrastructure;

(B) percent of structurally-deficient bridges, as defined by the Agency of

Transportation;

(C) percent of Vermont retail electric sales from renewable energy;

(D) State highway pavement condition ratings; and

(E) public transit ridership.
